Dear Mr. Barrouquere:

I am writing in response to your public records request, dated January 29, 2019, requesting the following:

“all emails (direct correspondence only), letters, and text messages sent from Gov. Scott Walker's office to the White House, including President Donald Trump and his staff. Please include all requests from January 20, 2017 to January 7, 2019.”

I am denying your request because it is unduly burdensome given the lack of specificity as to who constitutes the office of former Governor Scott Walker and who is considered Staff for President Donald Trump. I cannot guess what individuals are contemplated in this request. *Seifert v. Sch. Dist. of Sheboygan Falls*, 2007 WI App 207, ¶ 42, 305 Wis. 2d 582, 740 N.W.2d 177. A request for communications with unspecified employees or representatives is not reasonably limited as to subject matter. *See* Wis. Stat. § 19.35(1)(h).

Pursuant to Wis. Stat. § 19.35(4)(b), the decision to deny your request as described above is subject to review by mandamus under Wis. Stat. § 19.37(1), or upon application to the attorney general or to your local district attorney.

I consider this request closed. Thank you for contacting the Office of Governor Tony Evers.

Sincerely,
Erin Deeley
Assistant Legal Counsel
Office of Governor Tony Evers
